EAARS 2013 Picnic

Many of you have heard through the grapevine about the EAARS annual picnic. Well here is the official announcement.

It will be held Saturday, September 28th starting at 2:00 PM
Location is the same as last two years. Discovery Park (at the barn as they refer to it) in Safford AZ. Attached is a google earth map to picnic location. Look for the Untitled place mark

This is for Club Members and wife,husband child.

The club will be furnishing the meat and a variety of sodas. You are welcome to bring a dish such as salad, desert, etc to share.

It is suggested that you bring your own METAL silverware to cut the meat with. EAARS club will provide heavy duty paper plates, and plastic utensils.

Please email Larry & Dave before September 19th...OUR DEADLINE for ordering the meat, of your intention to attend. Let us know how many will be in your party. IE ham plus xyl..

email: lgriggs@aznexus.net dwells@aznexus.net

Dave & I will get together and compare lists, just as an insurance that we counted everyone. Reason for emailing both of us.

Hope to see you at the Picnic on Sept 28th!

Newsletter?!? Not so Much?

My apologies for the lack of content in this newsletter, but I was bitten by the summer Blahs!

The pictures in this newsletter are from my SOTA joyride on July 19. Basically I took the scenic route from Roosevelt Lake to Tucson via Show Low, Springerville, Clifton, Safford and Wilcox.

401 miles in all but I had fun activating Carol Springs Mt, South Mt, and Rose Pk on the way.

If you have cable or satellite TV try to check out Destination Americas show 'Monsters and Mysteries in America', 'Badlands' episode. It covers the Superstition Mountains, Hiway 666 (191) and the Blackeyed children. I will admit the Blackeyed children part freaked my out!

I'll try to better next month... I hope to have a article on HSMM-MESH which is becoming popular in Tucson and Phoenix and of course my SOTA plans for the EAARS Picnic weekend if anyone would like to join me for some outdoor operating fun.

AMSAT

(Amateur Radio in Space)

News

If you have been to a Arizona hamfest in the last 5? 10? 15? years, you've most likely seen the AMSAT booth promoting Amateur Satellite operation. Most likely the man on the other side of the table was Patrick Stoddard, WD9EWK.

I can't think of a hamfest Patrick hasn't been at since I was licensed in 2005, I always enjoy talking to him.

Well, Patrick has been promoted to Director of Field Operations at AMSAT. I can't think of anyone that deserves it more. Congratulations Patrick!
