GMRS Repeater on Helio 462.625 PL 123.0

Website [HTTP://WWW.EAARS.COM](http://www.eaars.com)

Next Meeting

July 20th at Search and Rescue in Safford. Arrive at 6:30, Meeting at 7 PM

Field Day

we made 450 contacts, I haven't calculated the bonus points yet. We also got an article in the local paper (<http://www.eacourier.com>) . We only had 4 members operate. Since there is no interest in field day, this will be my last year. If somebody else wants to try, I'll probably show up and operate

Repeater Status

All current repeaters are up and running at this time. There is a little intermod on the Pinal machine.

ARRL Awards

For anyone going after any ARRL awards like DXCC or WAS, ARRL DOES NOT accept online QSL's including eQSL print outs. You will only find this information in the DXCC rules but, it covers all the other awards. They do accept their own Logbook Of The World electronic QSL's but, nobody elses.

License Testing

We held a test on June 30th in Thatcher and got 2 new Technicians Anthony KF7LIU and

Janice KF7LIV. Congratulations!!! Anyone studying for technician as of July 1 there is a new question pool so make sure you study the right one. Testing is available on request. It takes a week or two to set up a test when you are ready. We normally do it on a week night. The club currently has 6 VE's, 4 in Graham county and 2 in Virden. We welcome more volunteers if you would like to be a VE. We work under the ARRL VE program and a couple of us could also do W5YI testing if a third becomes available. For testing, contact N7AM Dave at 928-965-8327

Work Party to Alpine

Larry and I are planning to go up to Alpine in July to finish the painting and probably do some weed eater work. If anybody wants to go, probably on a Friday or Saturday let Larry know when you are available. It will be cool up there!!!

Check Your License Expiration Date !!!!!

I've heard of several locals lately that let their license expire. OOPS!!!! You have 2 years after the expiration date to reinstate it without testing again. Of course you can't operate after the expiration date. If you have to retest you will get a new call and if you want your old call back you'll have to pay for it through the vanity call program.

2010 Officers

President Lon Whitmer K7LON
 Vice President Quentin Kavanaugh N7QK
 Secretary/ Treasurer Larry Griggs N5BG
 Net Control Operator James Reid AF7AT
 Helio Site Trustee Joe Montierth K7JEM
