## March Meeting

Dan, *AF7EF*, will be giving a presentation on Broadband -Hamnet.

Future meeting format will also be discussed, anyone for Pot Luck? Think about ideas to present.

## EAARS Needs YOU!

El Presidente Dave, *N7AM*, would like to see EAARS participate in several events this year, however, he needs members to step up and commit to participate and head up these events.

This is **your** chance to give back to the hobby!

### ARRL Field Day: June 28-29

At least six folks need to commit to do Field Day in order to move ahead with this event. No location chosen at this time.

### EAARS 40th Anniversary Special Event Station: Date not yet set.

This event could be combined with the next event. Currently the only criteria is that it not take place the same weekend as the annual picnic.

### Graham County Fair: October

Setup a booth to promote Amateur Radio, possibly in conjunction with a 40th Anniversary

special event station. Need enough **committed** members to man the booth at least 8 hours a day for two days.

A number of new hams have joined EAARS over the past few years that may have never experienced the fun and excitement of a Field Day or a 7QP operating event. Remember how much fun your first Field Day was? How about committing to one of these events so these new members can experience that excitement too?
